

NIKKI GLASER

Nikki Glaser is one of the funniest female voices in comedy today. For over a decade at clubs across the country, and as the host of three hit podcasts, she has been honing her shockingly- honest, no-holds barred style of comedy. Her brand new daily show, "The Nikki Glaser Podcast," launched March 2021 through iHeartMedia. It is a daily companion podcast that is peppered with Glaser's sense of humor and honesty to help keep listeners sane, well-informed and laughing through life.

Previously, Nikki was flexing her over-sharing muscle as the host of Comedy Central's first live daily morning show, YOU UP WITH NIKKI GLASER for SiriusXM, which ran from February 2018 to October 2020. Nikki's recent Netflix comedy special, BANGIN', was released October 2019. BANGIN' was the most watched Netflix special of the month and VULTURE included it on their "10 Best Comedy Specials of 2019" year-end list. In January 2020, she kicked off her nationwide comedy tour, BANG IT OUT! Previously, Nikki hosted, co-created and executive produced the critically-acclaimed and daring comedic show, NOT SAFE WITH NIKKI GLASER, for Comedy Central and NIKKI & SARA LIVE for MTV.

Nikki was a standout at the Comedy Central Roasts of Alec Baldwin, Bruce Willis and Rob Lowe, and has had memorable film and television roles in Judd Apatow's TRAINWRECK, NBC's AP BIO and INSIDE AMY SCHUMER, amongst others.

Nikki has multiple stand-up specials and late-night tv appearances in which she jokes about her most humiliating moments as a woman in the modern world. Nikki's past and current struggles with anorexia, depression, and anxiety are fair game in both her stand-up, and in in-depth interviews with THE HOWARD STERN SHOW, WTF WITH MARC MARON and JOE ROGAN. She has become a complete open book on mic - and not just for the laughs, she's also adamant on being the empowering voice for women that she yearned for as a young, confused, adolescent herself.
